INFORMATIONAL ITEMS

- Friends of Cecil County Parks and Recreation Update – Thomas McFadden: The Brantwood Bloom grant has approximately \$3k left which will be used for fall plantings of trees and possibly a field trip for students. The Friends continue to receive donations from local Lions Clubs and the Elkton Rotary. The Friends would like to purchase therapeutic rec equipment in the near future. The nest boxes at Conowingo Park did very well this season and the Friends would like to add additional plantings/trees to the location. The Friends signed a 5-year MOU with Trammell Crow to erect, maintain and monitor 25 nesting boxes at the Elkton Commerce Center.
