Review of Legislative Agenda

The Council proceeded with the review of the legislative agenda.

Council President Meffley stated that the Council reached a consensus to reintroduce the five appointees to the Ethics Commission, which had been rejected at introduction on January 19, 2021; in order to any legal disputes over the handling of this legislation. He stated the five Resolutions will be introduced at tonight's legislative session and consideration will be scheduled on February 16, 2021. He stated that the Council wishes to take action within 30 days of the original introduction. Vice President Gregory agreed that the appointees need to be vetted by the Council, but expressed concern on the legality of the Council's actions.

Council Attorney John Downs stated that we have two conflicts. The Council was given legal advice that their action at rejecting Resolution Nos. 08-2021 through 12-2021 at introduction on January 19, 2021 resulted in rejecting the legislation and appointees included in the legislation. The administration has indicated that they do not believe that the Council's actions rejected the appointees and cite Charter section 412(d) that if the Council takes no action on the Executive's appointments within 30 days, then the appointees are confirmed by operation of law.

Mr. Downs stated that the Council and administration do not want to get tied up in a legal battle over these appointments. He advised the Council to reintroduce these Resolutions to appoint each of the five appointees at tonight's session so that the Council would have two weeks to vet the appointees before voting on February 16, 2021.

The following Resolutions, regarding the appointments of members to the Ethics Commission, will be introduced tonight. Resolution No. 14-2021 Appointment – Ethics Commission – Janet Pope; Resolution No. 15-2021 Appointment – Ethics Commission – Andrew Goins; Resolution No. 16-2021 Appointment – Ethics Commission – Joseph Graf; Resolution No. 17-2021 Appointment – Ethics Commission – Charles Kelso; and Resolution No. 18-2021 Appointment – Ethics Commission – Heather O'Rourke. Council questions and comments ensued.

Vice President Gregory asked how these Resolutions could be introduced without the County Executive's approval. John Downs, Council Attorney, was asked for an opinion. Mr. Downs stated that the Council has the right to rescind their motion made at the Council legislative session of January 19, 2021. He also stated that the original submission of this legislation was submitted by the administration. There was additional discussion of following the Charter. Council President Meffley stated that the Council had a right to reconsider their motion and follow the legislative process to consider these Resolutions.

Resolution No. 05-2021 Appointment—Weed Control Advisory Board, will be considered at tonight's session. Scott Flanigan, Public Works Director, stated that he is available for any questions. Council President Meffley stated his support for this committee and their members.
